EARMARK DECLARATION

HON. PHIL GINGREY

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 23, 2009

Mr. GINGREY of Georgia. Madam Speaker, pursuant to the Republican Leadership standards on earmarks as well as in accordance with Clause 9 of rule XXI, I am submitting the following information regarding the earmarks I received as part of H.R. 3288, the Transportation, Housing and Urban Development, and Related Agencies Appropriations Act for Fiscal Year 2010.

Requesting Member: Congressman PHIL GINGREY

Bill Number: H.R. 3288

Account: Federal Aviation Administration—Airport Improvement Program

Legal Name of Requesting Entity: Richard Russell Regional Airport

Address of Requesting Entity: 304 Russell Field Road, Rome, GA 30165

Description of Request: This entire \$250,000 will be used to make the Taxiway C configuration consistent with the approved Airport Layout Plan. The realigned Taxiway C will

reduce the possibility of runway incursions and back taxiing on the primary runway. In addition, a portion of the closed Runway 14/32 will be converted to usable taxiway pavement, and grading work will also be performed in this midfield area to meet runway safety area standards.

Requesting Member: Congressman PHIL GINGREY

Bill Number: H.R. 3288

Account: Federal Highway Administration—Interstate Maintenance Discretionary

Legal Name of Requesting Entity: Georgia Department of Transportation

Address of Requesting Entity: #2 Capitol Square, Atlanta, GA

Description of Request: The entire \$750,000 will be used for the preliminary engineering of a fully directional interchange at Third Army Road and Interstate 75. This project is critical to Bartow, Cobb, and Paulding Counties as they work collaboratively to address the serious traffic problems in this part of the region. This project will allow residents of three counties access to the interstate without having to travel through Cobb County. At the present time, drivers in this area must travel through Cobb County, significantly increasing traffic congestion on both main thoroughfares and residential streets. This part of the region has accident and injury rates higher than the state average in Georgia. In addition, commute time is increased and air quality is negatively affected. The project falls within the boundaries of the air quality non-attainment area of metropolitan Atlanta.

This project will run through Paulding, Cobb and Bartow Counties reconstructing Third Army Road north of the existing roadway from the interchange to U.S. 41. The existing Third Army Road would remain to facilitate local access to the residential properties in the area. The interstate ramps would extend along I-75 for approximately 1,500 feet. Feasibility and justification reports conducted have indicated that there would be significant improvements in traffic safety, mobility, and congestion in the region if this interchange was constructed.

Requesting Member: Congressman PHIL GINGREY

Bill Number: H.R. 3288

Account: Housing & Urban Development—Economic Development Initiative

Legal Name of Requesting Entity: Paulding County Industrial Building Authority

Address of Requesting Entity: 240 Constitution Boulevard, Dallas, GA

Description of Request: The entire \$250,000 will be used to construct the Paulding County Technology Model Building which is a key piece to the development of the Airport Industry and Technology Park, a component of the Paulding Forest Initiative for which the County received the Economic Development Administration's Award for Excellence in Economic Development in 2007. The Airport Industry and Technology Park is in a key location for aerospace and technology development as it is surrounded by the major cities of Atlanta, Birmingham, and Chattanooga and located adjacent to the first new general aviation airport designed to accommodate the Very Light Jet industry. This project is the result of a joint venture between the County, the Cities of Dallas and Hiram, and the Industrial Building Authority.

CELEBRATING THE ACHIEVEMENTS OF OFFICER W. THOMAS LEE

HON. BOB ETHERIDGE

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 23, 2009

Mr. ETHERIDGE. Madam Speaker, I rise today to recognize a true hometown hero. On Tuesday, July 14, 2009, while on patrol, Officer W. Thomas Lee of the Smithfield Police Department in Smithfield, North Carolina, saved a couple and their three children from an early morning house fire.

Officer Lee was on patrol just after 2:00 a.m. when he saw a car burning at 1411 W. Market Street in Smithfield, where Javier Ramirez, Maria Mejia and their children, ages 12 to 18, were sleeping. Lee banged loudly on the front door and on several windows before managing to wake the family. The family was able to exit the structure through a bedroom window to avoid moving about the burning home. Fortunately, no one was injured. The fire had spread to the attic and roof of the house by the time firefighters arrived just before 2:20 a.m., Smithfield Fire Marshal Paul Whitehurst said. The blaze began when the engine of the family's 2003 Ford Mustang caught fire. In a statement the family said, "if it hadn't been for the police officer that saw [the fire], it would have been a very different situation." Madame Speaker, this is an understatement.

It is first-class citizens like Officer Lee who highlight the sense of community and duty shared by all our first responders. These emergency personnel work tirelessly on behalf of our communities and I would like to take this time to recognize their achievements. Officer Lee is truly a hometown hero and I ask my colleagues to join in congratulating his bravery and integrity.

As a member of the House Committee on Standards on Official Conduct, I must remain consistent with the many other PMA-related resolutions offered by Rep. FLAKE in the past. I intended to vote "present" and would request that the record reflect my vote on rollcall vote No. 605 as such.

EARMARK DECLARATION

HON. JOHN L. MICA

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 23, 2009

Mr. MICA. Madam Speaker, pursuant to the Republican Leadership standards on earmarks, I am submitting the following information regarding earmarks I received as part of the FY2010 Labor-Health and Human Services, Education, and Related Agencies Act.

I have received \$700,000 in the in the Department of Health and Human Services, Health Resources and Services Administration (HRSA)—Health Facilities and Services Account for the Stewart-Marchman-Act Foundation, Inc. Daytona Beach, FL located at 214 Loomis Ave. Daytona Beach, FL 32114.

Federal funding will allow the construction of the Vince Carter Sanctuary, a 100-bed substance abuse treatment, education, and research center to be located in Bunnell, Florida (Flagler County) on land donated for this purpose by the Flagler County Commission. This request seeks to assist in the total financing of this \$8 million project as 80% of the total funds have been generated from local philanthropic contributions. The Vince Carter Sanctuary will impact the economy of the region and create 75 new jobs to operate the facility. These new positions will have an average salary of \$32,500, thus reflecting over \$2.5 mil-

lion in direct salary expenditures. The Sanctuary will have a \$56 million impact from the construction funds and an annual \$17 million from operations, for a total of \$73 million for the first year. These funds will have a significant impact upon the local Northeast Florida economy.

Madam Speaker, I also received \$100,000 in the Department of Health and Human Services, Health Resources and Services Administration (HRSA)—Health Facilities and Services Account for the Florida Hospital Altamonte, Altamonte Springs, FL located at 601 East Altamonte Drive Altamonte Springs, FL 32701.

With infant abductions a growing concern in hospitals (256 infant abductions in the US since 1983), federal funding for the HUGS Infant Security Initiative would provide a defense against this matter. Funding will be used to purchase and implement the HUGS Infant Security Electronic System for Florida Hospital Altamonte OB and MIU departments in order to prevent unauthorized transportation of infants and abduction.
